

THE COLONIAL PAST INFLUENCING AND SHAPING MINDSETS AND MARITIME TRAFFIC IN THE 21st CENTURY AND RELATIONSHIPS WITH THE WORLD

TRIANGULAR TRADE

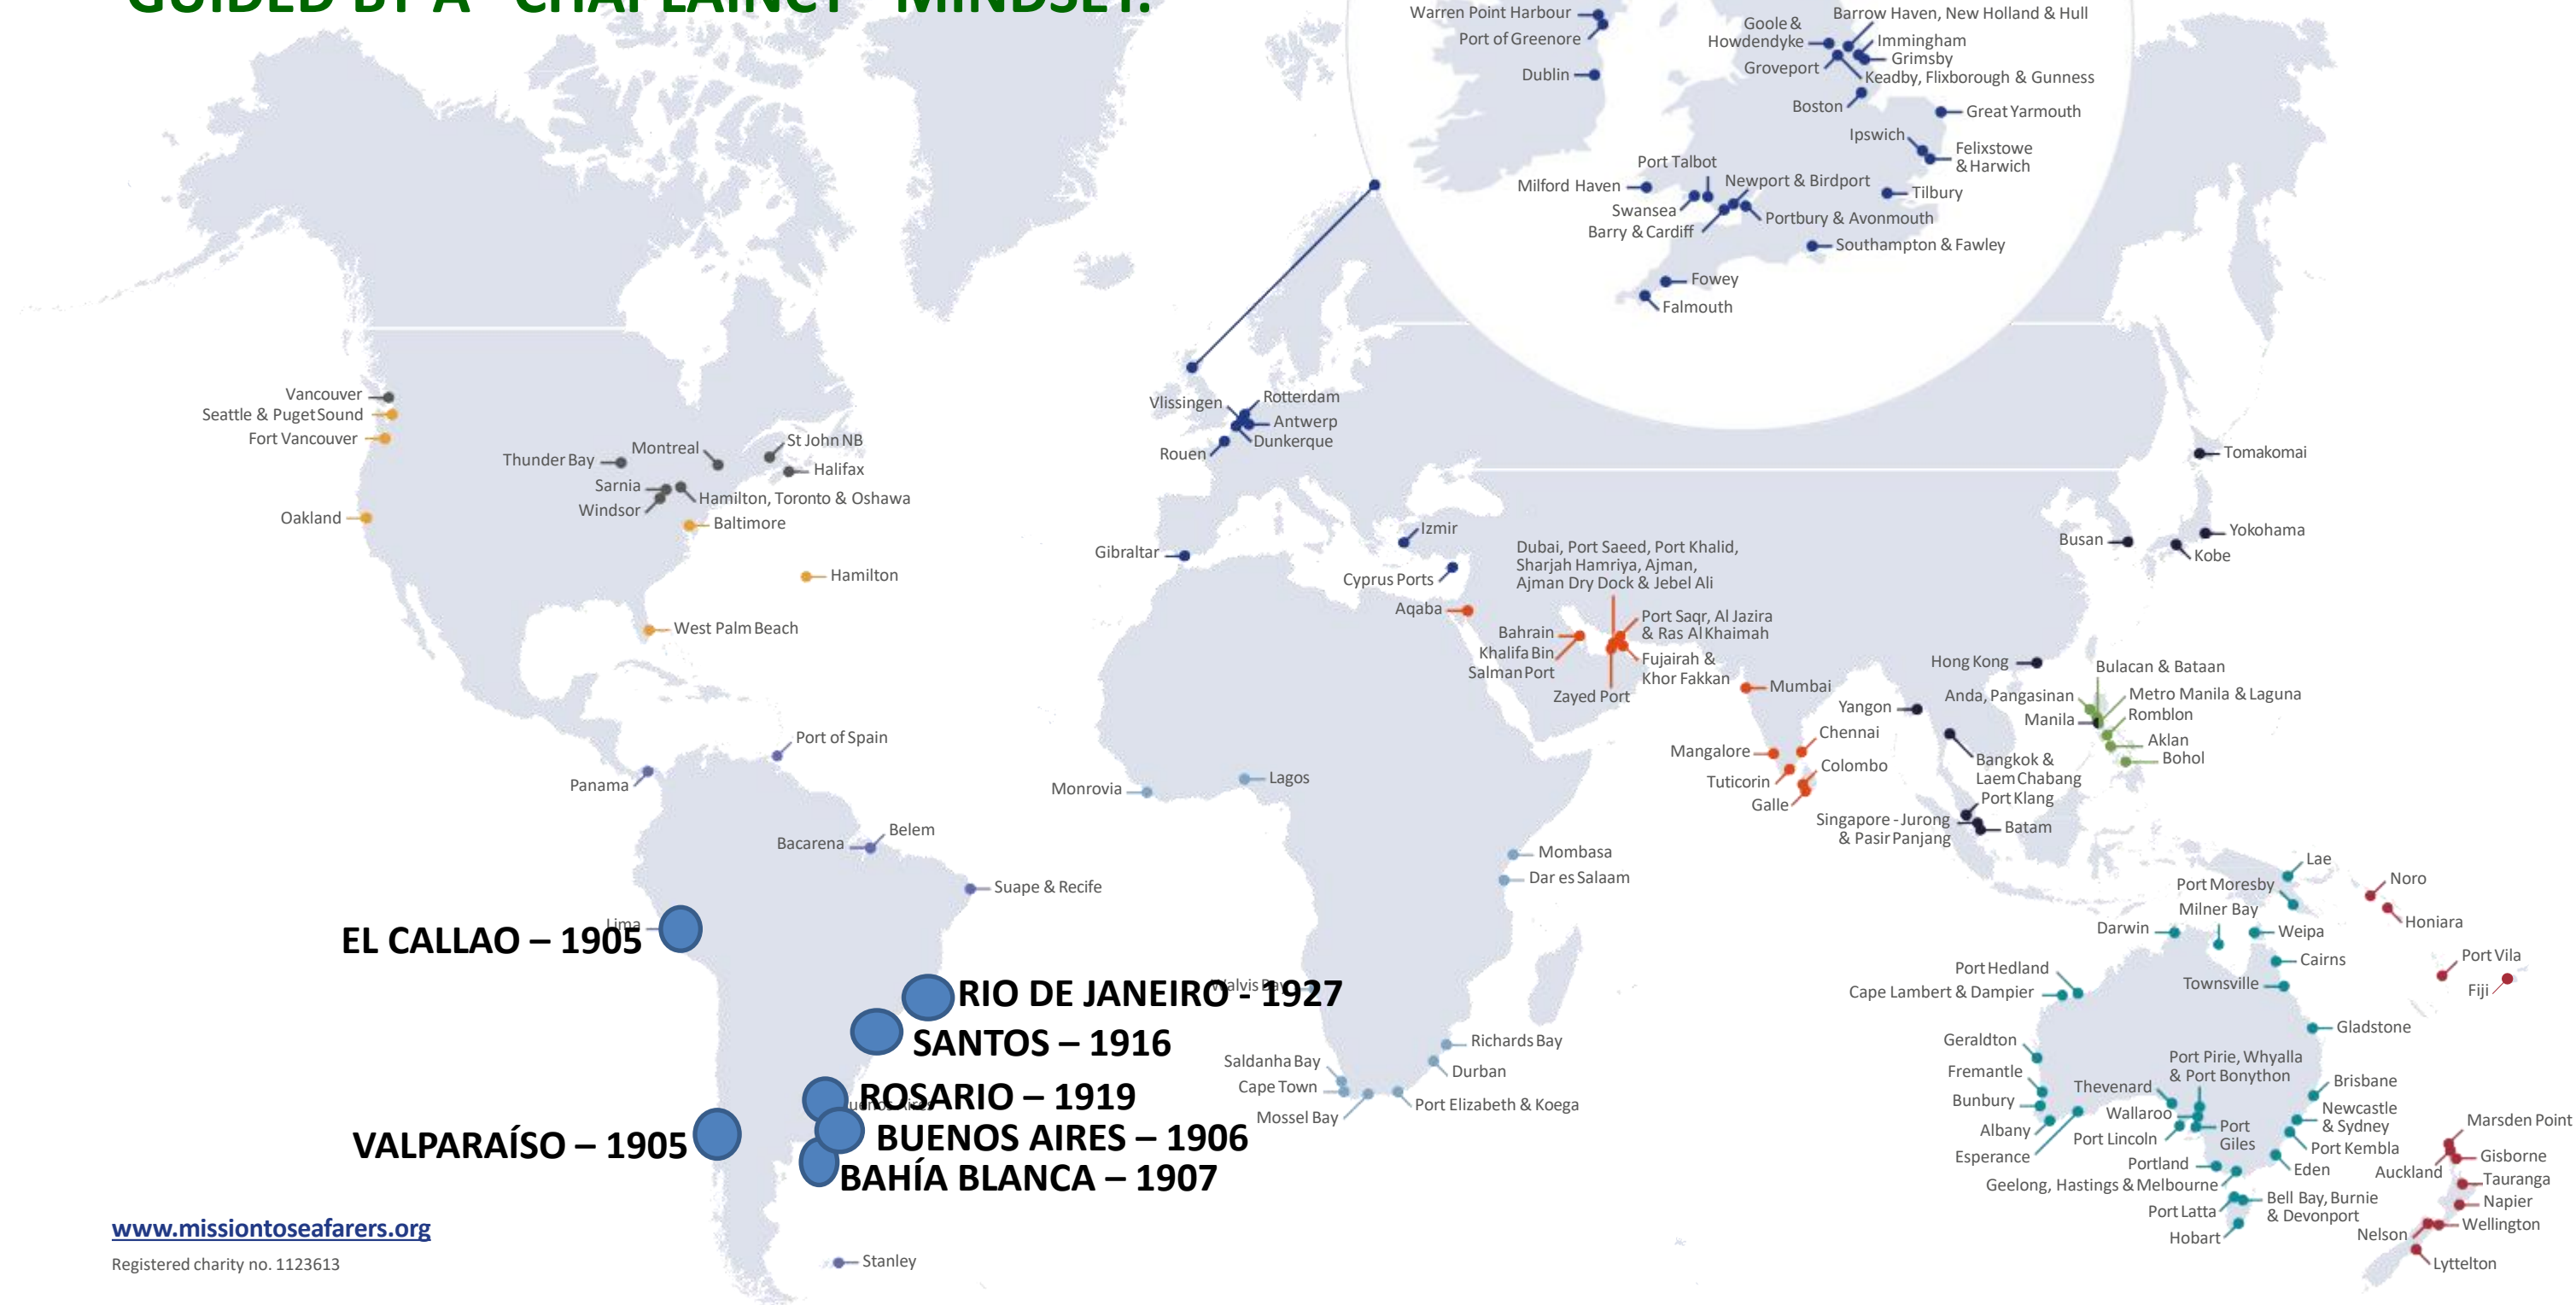

The Atlantic slave trade was part of a profitable network of commerce across the Atlantic Ocean. Goods and enslaved people were traded between Europe, Africa, and the Americas. This network is often called the triangular trade because it had three basic stages that roughly form the shape of a triangle when viewed on a map.

Caring for seafarers around the world

THE MISSION TO SEAFARERS-LAC: HISTORIC "FOOTPRINT" SHAPED BY "INFORMAL EMPIRE" AND GUIDED BY A "CHAPLAINCY" MINDSET.
